RE: MB Docket No. 04-233

To Whom It May Concern:

I am writing to request that the FCC does NOT allow LPFM stations to take priority over current FM translator service. I am a regular listener to K-LOVE, which is often heard on FM translators. K-LOVE is about the only radio station that I ever listen to. It is one of the ways I find inspiration and it helps me to keep a positive attitude. It's also a way for me to find out what Christian activities are happening in my local community. K-LOVE provides our community with a way to share about upcoming Christian events in the local area. In fact, that's how I found out about a local church group. K-LOVE reaches out to thousands of people. Many people are lonely and hurting and need a helping hand or someone to encourage them. K-LOVE can be a big source of encouragement to anyone who is listening. The message they share is a message that can help individuals and communities to grow. Please don't take this gift away.

Sincerely,

Michelle A. Barrick
